Arkansas Mission of Mercy

ArMOM 2018

April 26–28, Conway Expo Center, 2505 E Oak St

In case you're not **yet** one of our long-time volunteers who have enjoyed serving at this event in the past 11 years, ArMOM is an annual 2-day free dental clinic started by the

Arkansas State Dental Association for underserved Arkansans. All services are provided free of charge by a host of volunteers and sponsors. *It is **very** rewarding to see patients' gratefulness after receiving services! The Therapy Dogs are great too.*

We're proud of the large turnout of volunteers at ArMOM every year; ask around and you'll find out why we keep joining in and serving Arkansas together this way!
